I promise.
(And I know that much.)

Give me

Recently, this kid
has been appearing
in my dreams
sometimes,
smiling brightly

I wonder what
it is...

I have an option
before me...
I cannot surrender to...

Why shouldn't you
be studying?

The more I involve
you, the more
pleasing it is

Minori!

Minori has

please leave us

Because of these

Have you forgotten
the exam paper

mystery ?
We've got some-
thing

School vault was

papers were

It would appear that
he couldn't take

I am not completely

though

I guess he didn't

It's over.
Just think
about it.

You saw what
happened ?

Yes,
I did

I saw...
so what did it ?

I am sure you know
better than me.

What are you
saying?

You accuse me
of sexual abuse, and
your words could
very well hurt you.

... Do you really
think...

I would be confronting
you like this without any
kind of proof?

Grandfather!

Ah...

I've had

I did not see

Regardless, no one
should be free to all.

I met him for the first time when he helped me out with a statue

I didn't even realize that because there had been some maps when I wanted to go to the library to approach me

There is a reward

Well, I'm not really an expert in the field

He was looking over my head looking back

At the same time, I felt that his response should be looked at seriously

What? You can say that proudly? You just want to see how over

What are you saying? There is a bottle in its own right

It's not a bottle, it's a bottle

"yes"

Anyway, what type of girl do you like? I'm not a boy? I'm not a girl?

Well... I don't know really

How about
you, Soong,

나? 뭐?

How about

And he sounds serious...

I want to serve my

What's
wrong?

Um... I think
he's a little
sensitive today.

It's fine.

I am going out to
get some fresh air,
papa.

I am not sure
whether she

or doesn't

Is someone
battering you?

What are you?

I quit a long time

Are you still

You look like crap

...What damage
you have?

Have I ever you
before?

Maybe I am working
quite hard these days.

I don't intend
to bully people
for money now.

You are one of
the worst people,
you know that?

Nothing! I can do
nothing but sit off, as I had
to do something for money.

That wouldn't
harm him. It's a
politeness after all.

It's perfectly
justified though.
I mean, your father
held on long enough.

It turns out that
evening is pretty good,
so I don't miss him one bit.

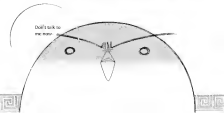

Yes, this is
getting
complicated.

Perhaps even
more than that.

This is very fun.

It does bother
you though,
doesn't it

And the way
our memories

Our existence is starting to wake up their memories

He did seem
interested in
you

I am only a useless
chick now.
Whatever he wants
from me, I don't
care.

Is he going to go after me like he did before?
Will the history be repeated like before?

Our eternal task is to
protect our lord.
Don't you forget that.
We must not impact
against this.

Take advantage

It's your rights

Use it while you

There, now

About all the

Though I had to

Adoption?

Griffioen

Let's hope that Gi-Hyeon will be happy

Volume 10

There is Soul,

Ch 7

He is smart
and well behaving.

Well, I was,
but...

He reads a lot of
books and knows a lot.

Soul?

He's right
next to him.

Why did you...

I am so jealous...

If I ever
get family...

I'm going to
ask my new
parents for
so many
books!

Don't be so negative
about your adoption...

You will become happy

How are you?
This is your new room

Wow

Do you like it?

Your new room will
be Seong-ho's from

And your instrument

Seong

Mother?

Even according
to what was said
at first, that was happy
news for me.

My new sister was even
so kind to me.

I didn't get to know my sister
and I was so happy
with that. She told me that she was
waiting for me.

Is Gi-Hyun doing well?

I want to see him.

I got a new
mother.

And a new brother.

Father was simply too
busy and new mother
wasn't paying
attention to me.

Made sure that you
do not put shame on
this family do you
understand?

~~She was older.~~
~~Didn't know that.~~

And so did my
new best friend.

Always reading books...
you disgust me.

I am hungry...

If I become a good student and well behaving, my new stepmother will like me.

Let's not be too greedy...
I mean I have a family
my own room, and all
books I wanted.

I am sure
that he is
having a harder
time than me.

I mean he gave
me this chance

He may get
really pissed
if I complain.

So

Let's try harder
for his sake.

Wow, it's
Gi-Hyeon!

How long
has it been?

Gi...

love!

It's great to find
you looking at the
same book again

me

You weren't unhappy?

How can you smile
like that?

If it wasn't your pity on me,

That smile would have been mine.

OK

Yes, do whatever

this time

Isolate him.

As you wish.
